EASTER ON THE MOUNT

J. C. SHERER TELLS OF IMPRESSIVE SCENE ON MT. RUBIDOUX LAST SUNDAY

Among the crowd of something over 25,000 people who assembled on Mt. Rubidoux, at Riverside, last Sunday at sunrise, to participate in the Easter morning exercises held at the base of the Cross erected on the summit of that elevation in honor of Junipero Serra, were a few Glendale people who had the courage to rise at 2 o'clock in order to make the auto trip to Riverside ahead of the sun. Bright moonlight added greatly to the pleasure of the early morning ride along the foothills over the wonderful roads of Southern California.

As soon as Pasadena was reached automobile headlights began to show up in all directions and it was soon a rather swift procession that moved out through the night toward the sunrise. At five o'clock the near approaches to the mountain were crowded with motor vehicles, while here and there in throngs and in small groups people on foot were clambering up to the top of the mountain, on trails sometimes, but in many cases by the most direct route, however rough and broken.

As many as a thousand autos must have wound up around the very good auto road to the summit, and there being no parking place, they all had to wind down again after depositing their passengers. There are rude benches cut in the rock at the summit for the accommodation of audiences but the amphitheater although long, lacks width, and as a consequence a crowd as large as the one assembled on Sunday cannot in very great numbers get near to the stage where exercises take place, the result being that although all could get the very inspiring view of the great crowd as well as of the surrounding scenery, only a small proportion of those assembled could hear much of the exercises, catching only the music of the cornet or the high notes of Marcella Craft's fine solos. But it is doubtful if many came away disappointed.

Mt. Rubidoux is not much of an elevation when speaking of mountains, but it is sufficiently high to afford a magnificent view of the beautiful surrounding country and the towering mountains on the East, that, seen in the early morning, seem to be the veritable Gates of Day, so that when the sun finally appeared above their summits, it seemed as if the Creator had never ushered in a more beautiful and inspiring Easter morning; and when the great audience joined in singing the old familiar hymns, "How Firm a Foundation," and "There's a Wideness in God's Mercy," there were few hearts that were not touched with the solemnity of the scene and the occasion and did not feel that this little eminence rising toward the stars was not just a little nearer to Heaven than the every day places, while the sight of the rude Cross outlined against the sky suggested to all the great sacrifice for humanity which the emblem represents and the risen sun emphasized the meaning of the beautiful Easter morning.

—J. C. SHERER.

PROGRESSIVES PUT FORWARD ROOSEVELT AS MAN OF THE HOUR

J. H. Braly of 205 Brand boulevard was one of the guests at the great Progressive banquet in Los Angeles, Tuesday night. He says that the banquet was a pronounced success and that the greatest enthusiasm prevailed among the 800 guests. The whole sentiment of the evening was for harmony of the separate sections of the Republican party. The meeting strongly endorsed Roosevelt for president. When the colonel's name was mentioned prolonged cheering greeted the announcement.

The great gathering put itself on record as supporting Col. Roosevelt for president because "We believe the country needs him; because no one else will quicken the pulse of the nation as he will; because no one else can inspire patriotism as he can; because he personifies the issue before the nation as no one else does and because no one else presents so effective an antithesis to President Wilson as Roosevelt."

Brilliant speeches were made by Col. D. C. Collier of San Diego, Judge Paul J. McCormick, Dr. James A. B. Sherer, president of Throop Institute of Technology, Pasadena, an old friend of Col. Roosevelt; Mrs. Florence Collins Porter, Motley H. Flint and George A. Knight of San Francisco.

Great harmony prevailed throughout the evening and the sentiment

SCHOOL AND CAMPUS

DRAMATIC CLUB TO GIVE IRISH PLAY—STUDENT BODY WORK

This afternoon, the Dramatic club will present a delightful fantasy of fairy lore and Irish superstition, "The Land of Heart's Desire," by William B. Yeats. In addition to the star cast of characters, the music and lighting effect will undoubtedly make the play a great success. The characters are:

Bridget Bruin.....Dorothy Cloud
Marten Bruin.....Ralph Carmichael
Father Hart.....William Bode
Maire Bruin.....Ethyl West
The Faerie Child.....Rebecca Gregg

This is the first play which the dramatic club has given as a public performance. The admission will be ten cents and the play promises to be well worth the money.

Student Body Officers
The Student Body officers who will serve for the first semester of 1916-17 term are:

Speaker of the House—Samuel Durand.

Vice-President—Howard McGillis.
Treasurer—Aileen Freeman.
Yell Leader—Harry Glazier.
Senators—Herbert Sheuner, Mildred Wight, Walter Beach, Earl Brown, Fanny Hagin.

Members of the Executive Committee—Carlton West, Don Phillips, Robert Carmack, Lyndon Keyes, Oran Branscombe, William Taylor, Wilfred Long.

We feel that the present Student Body officers, whose administrations close with the term, have done very efficient work and have proved that Student Body government can be made a most glorious success. George Dyer has proved a most capable Student Body president. In fact many people, besides the High School students, believe that he is the best president that the Glendale Student Body has ever had.

It may be said that the students this year, for the first time, have stood in back of the executive committee and given them their entire support. This is partly the cause of the splendid work done by that committee during the term.

The secretary and treasurer both deserve credit for the time they have so willingly given to student body matters and for the thorough work they have done.

The Senate this year has shown that it is a wide-awake body and has accomplished much.

We have also taken great pride in our yell leader. He has every quality that could possibly be desired for a school yell leader. We hope that next year's officers will have an administration just as progressive, if not more progressive, than those of 1915-16.

General Notes
The Seniors are beginning work upon their class play, which will be given as usual during commencement week.

Everyone was glad to see Hill McGillis, '15, who is now in the navy, at school yesterday.

The athletic pictures for the Stylus were taken yesterday. There have been many good snapshots taken off and on the campus, but they have not yet been turned in. The photo editor wishes to have all pictures which might possibly be good for publication, as soon as possible.

SONS OF VETERANS INITIATE

N. P. Banks Camp, Sons of Veterans, held one of the most interesting meetings in their history Tuesday evening. The initiatory ceremony was performed, Berna Martin being taken into the Camp. After the work of the evening, a program was given and refreshments were served in the banquet hall. The occasion was made more enjoyable by the presence of so many of the members of the Post and Corps.

COHEN-FARRAND MARRIAGE

Herman Cohen of Los Angeles and Ethel Farrand, daughter of Mr. and Mrs. E. W. Farrand, 138 Sinclair avenue, were united in the bonds of matrimony, Wednesday morning at 9 o'clock, by the Rev. B. Dudley Snudden, pastor of the First Methodist Episcopal church. The bride was charmingly arrayed in white and carried a bouquet of bride's roses. The ceremony was solemnized in a floral bower of exquisite beauty which had been erected in the grounds of the Farrand residence. After the wedding the young couple left on a honeymoon trip.

was constantly expressed that Roosevelt would be the next president of the United States. Many United Republicans were present and also many of the old-time standpat Republicans.

AMERICANS KILLED IN VILLISTA BATTLE

DODD'S CAVALRY SMASHES UP VILLISTAS IN ENCOUNTER NEAR CHIHUAHUA

(Special Service to Glendale Evening News)

COLUMBUS, N. M., April 26.—Two American soldiers were killed and several wounded in a battle with Villistas Saturday. Col. Dodd's cavalry defeated 300 Villistas in this encounter, which took place in the vicinity of Chihuahua. Many Mexicans were killed and a great number wounded. Some accounts state that seven American soldiers were killed.

MEXICANS TO INSIST ON WITHDRAWAL

GEN. OBREGON WILL STATE MEXICO'S DEMAND FOR REMOVAL OF UNITED STATES TROOPS

(Special Service to Glendale Evening News)

EL PASO, April 26.—Gen. Obregon will insist on the immediate withdrawal of all American troops from Mexican soil. In his conference with Gen. Scott it is reported that Obregon will insist that the presence of the American soldiers is a constant source of danger and that it may not be possible to restrain the soldiery of Mexico or the people much longer. Obregon has 40,000 men well armed and plentifully supplied with ammunition and artillery within easy distance of the American forces. Obregon is likely to maintain that it is impossible for the de facto government to pacify Mexico as long as the American forces remain in the country.

GERMANS DIRECT GUATEMALAN REVOLUTION

TEUTONS AND JAPANESE ENGINEER ATTACK ON PRESIDENT GOVERNMENT

(Special Service to Glendale Evening News)

MEXICO CITY, April 26.—German officers are directing the revolution in Guatemala. They are backing Cobreia for president. It is also stated that the revolutionists are being plentifully supplied by Japanese with both arms and ammunition. The revolutionists have made considerable progress. The Japanese gunrunning vessels have openly appeared on the coast and the government appears to have no means of dealing with them. It is believed that the rebel government if successful will be entirely in the power of the German military section of the army.

MARTIAL LAW IN DUBLIN COUNTY

BRITISH HURRY TROOPS FROM ENGLAND AND BELFAST TO DEAL WITH IRISH SITUATION

(Special Service to Glendale Evening News)

LONDON, April 26.—British troops have been dispatched from England and also from Belfast and have now reached Dublin. They are now in several strategic buildings throughout the city. Martial law has been proclaimed throughout Dublin county and the rioters will be tried by court martial. It has been found impossible to get juries to convict criminals recently, no matter how strong the evidence might be.

GERMANS MAKE GRAND ASSAULT ON FRENCH

TEUTON ATTACKS ON HILL 304 AND AT AVOCOURT PRODUCE NO RESULTS

(Special Service to Glendale Evening News)

PARIS, April 26.—It was officially announced here today that the German attack on positions in the Avocourt district were made with liquid fire, which was successfully opposed by clay shields. The Germans again and again came on to the attack but their efforts only resulted in great losses. The affair then turned into an artillery pounding of the Avocourt positions and of Hill 304. Some minor infantry attacks were also easily repulsed.

GERMANS BALK AT WILSON'S DEMANDS

TEUTONS ARE LOATH TO GIVE UP SINKING OF UNARMED MERCHANT VESSELS

(Special Service to Glendale Evening News)

BERLIN, April 26.—President Wilson's demand that the German submarine campaign against unarmed merchant vessels be stopped at once is a very sore matter with the people of Germany. They think that their action is justifiable and are very loath to issue orders for any cessation of the campaign against merchantmen. This demand, they say, is the only real obstacle to an amicable settlement of difficulties with the United States. It was authoritatively stated here today that all the other issues between the two countries could be easily adjusted without a break.

EXODUS FROM GERMANY CONTINUES

LONDON, April 26.—Numbers of Americans who have long been resident in Germany left today for Holland and Switzerland. They fear that a diplomatic break with the United States is certain. The situation is becoming more strained every day and the position of Americans in Germany is exceedingly uncomfortable.

SOME CIVIC MATTERS

CITY MANAGER WATSON TELLS TRAFFIC REGULATION ON BRAND BOULEVARD

"All parties using Brand boulevard between Colorado and Second street will after now be required to adhere strictly to the rule of the road. They will be expected to count the boulevard as one street and confine themselves when going south to the right hand of the road and the same when going north. Hitherto the boulevard has been used as a double street on account of the railroad crossings but as between the points named these have been done away with, the street now being reckoned as one.

"This rule will be enforced by the traffic officers. The matter was formally brought up at the city council at the meeting held April 17. It was taken up in consideration of a letter written to the council by the city attorney in which he pointed out since the lowering of the Pacific Electric company's track the boulevard had become a single roadway, and that the traffic would be regulated in accordance with that condition.

"At that meeting, on the motion of Trustee Muhleman, signs were ordered to be placed on Brand boulevard where necessary for the purpose of directing the traffic to keep on the right hand, going north or south between Colorado boulevard and Second street. Those signs will be put up tomorrow and it would be well for all parties to take warning and observe the rule.

"Those who have had little faith in the intention of the Pacific Electric railway to extend its line from the present terminus at the junction of Broadway and Glendale out to the Child's tract line are to be agreeably disappointed in their dismal forebodings. Already the street has been surveyed for the purpose of determining the levels and this preliminary survey will be supplemented by a thorough examination of conditions. Charles E. Pillsbury, chief engineer of the Pacific Electric company, was in Glendale Tuesday afternoon for the purpose of looking matters over with a view to beginning work.

"After a minute survey of the street Mr. Pillsbury made application to the street superintendent for permission, under the company's charter to proceed with the work of taking up the pavement on Broadway east of Glendale avenue. This permission will be granted and the work will probably be begun Thursday as arrangements to that end are now being made.

"I foresee in this extension of the street railway a vast and valuable development of the East side of the city. There is no doubt that the improvements will greatly enhance property values in that neighborhood besides giving transportation conveniences that will be of immense use to the inhabitants of that section.

"An important conference will be held in the city hall tomorrow between Mr. Reagan, county engineer of flood control, and some of the city officials. Mr. Reagan is working on a very extensive scheme to take care of the flood waters of the Los Angeles and Glendale watershed and it is probable that the city will have some interesting information to give out on this subject after having heard the views of this eminent engineer."

CHAPPELL DRY GOODS STORE MOVES TO NEW LOCATION IN PETERS' BUILDING

One of the pioneer business men of Glendale is Wm. Chappell. May 1st will mark the sixth anniversary of his dry goods store in Glendale. During this time he has conducted his business in one location, 326 Brand boulevard, near the post office.

Taking advantage of the opportunity to secure a more modern storeroom, Mr. Chappell leased the room at 325 Brand boulevard, in the new Peters' Bldg., just opposite his old location. The interior of Mr. Chappell's present place of business was finished to suit his needs, the display windows being large and the room finished in old ivory and oak.

Mr. Chappell will continue to carry a stock of women's, children's and men's furnishings, laces, embroideries, notions and a general line of dry goods.

PROHIBITION

There will be a meeting of the Glendale Prohibition club on Thursday night at eight o'clock in the Chamber of Commerce hall. Election of officers for ensuing term will be held and work outlined for this year's Dry Campaign. Every local Prohibitionist is urged to be present.—J. N. McGillis, President.

BENEFIT WAS SUCCESS

PALACE-GRAND THEATER TWICE FILLED FOR DOROTHY BONNELL ENTERTAINMENT

By crowding the Palace-Grand theater twice Tuesday night the public of Glendale gave evidence of their sense of the high character borne by Dorothy Bonnell, for whose benefit the entertainment was given. Since the sad accident in which Dorothy was injured the sympathy of the public has gone forth to this little girl of fifteen, who had endeared herself to everyone by her sweet manner and her unselfish life. Dorothy had been practically self-supporting and the assistance now so heartily given by the public will help her parents to tide over a very difficult crisis in their life.

The proceeds of the concert which will be given to Dorothy Bonnell will amount approximately to \$400. This will insure her that medical care and nursing which during the next two months will be necessary to restore her to such measure of strength as will enable her again to take up her work. There is every hope that she will ultimately be completely restored. Meantime she needs the most careful nursing.

Thanks are due to Mr. Jensen of the Palace-Grand theater for having placed his theater at the disposal of the committee that looked after the benefit. Mr. Jensen by this generous contribution contributed a very great deal to the success of the attempt to raise the funds for Dorothy's cure. In this Mr. Jensen acted in line with his well-known liberalism on all such occasions.

One of the features of the show Tuesday night was the fine exhibition of society dancing given by Miss Pearl Keller of Tropic and Mr. Charles U. Wells. These two artists were applauded again and again. They were assisted by two of Miss Keller's pupils, Frank Burk and Dorothy Dutton, who were also much appreciated.

The committee in charge of the benefit consisted of: Mrs. W. C. Houston, Mrs. Opal Greenwalt, Mrs. V. Price Brown, Mrs. Hinckley, Mrs. R. E. Chase, Miss Harriet Wells, Mrs. Leppelman, Mrs. C. H. Thompson, Mrs. Cousins and Mrs. Roache. This committee desires to express its thanks to all who assisted in making the benefit a success. They tender their thanks to The Glendale News for the liberal publicity it has given to this affair, which largely contributed to its complete success. They also wish to express their thanks to Messrs. Scovern, Letton and Frey, for having presented them with a receipted bill for the services of the ambulance which conveyed Dorothy Bonnell to the sanitarium and again to her home in Los Angeles. They also think that Jack Jenkins, of Arden avenue, a boy of fourteen, who sold a very large number of tickets for Dorothy's benefit, is deserving of honorable mention.

In every way the committee was aided and encouraged by the public, who finally crowned their unselfish labors for this afflicted child by crowding the Palace-Grand at both shows Tuesday night.

EVANGELISTIC SERVICES

Rev. V. E. Clarke, who has just returned from an extended evangelistic tour in the eastern states, will begin a series of meetings Thursday evening, April 27, at 7:30, continuing every evening over three Sundays. Services will be conducted Sunday afternoons at 3:00 p. m. for the benefit of Christians who wish to learn the secret of a happy Christian life.

Mr. Clarke is a clear, scriptural, and convincing preacher of the gospel. His message is full of inspiration and hope to the one who feels he can't be a Christian on account of circumstance. He will be assisted by A. M. Blackmon, singer, whom he will accompany with the harp. He will also be assisted by other musicians of local talent.

These meetings will be held under the auspices of the Church of the Nazarene, in the tent on the corner of Broadway and Louise.

FOR ALL THE ARKANSAS FOLKS

There will be an all-day picnic reunion for all the folks from Arkansas in Sycamore Grove, Los Angeles, Saturday, May 6th. Coffee will be supplied but all should bring picnic dinners, cup and spoon.

There will be the county registers, so that all may find friends and so you can see who is here from the old home. There will be a program about two o'clock with some short addresses and singing. Every one who ever lived in the Apple Blossom State is invited to come and have a good time.

GLENDALE, CALIFORNIA, WEDNESDAY, APRIL 26, 1916

POLITICAL CONDITIONS IN CALIFORNIA

California presents rather a checkered political map at the present moment. There is in the state a large body of loyal democrats who swear by President Wilson and are ready to give him loyal and active support, believing that he has saved the country from war and has steered the ship of state through exceedingly troubled waters with consummate skill. These will undoubtedly roll up a large vote for a president whose devotion to his native land none can suspect or whose motives none would care to impugn.

The Prohibition party keeps on the even tenor of its way in an uncompromising fight against the liquor traffic and with an eye to national prohibition being carried as soon as possible. Meantime with customary vigor and singleness of aim they are fighting a strong fight for a present measure of prohibition in the State that they may make a standpoint from which to make further gains.

On the other hand the great Republican party in California shows a singular condition in its usually solid ranks. It is well known that whatever differences may have arisen four years ago over Republican policies time has softened them and there has been all over the land a drawing together of the severed sections of Republicanism that seems to foreshadow a complete healing up of the division that has rent the party asunder.

That is what might be expected of reasonable and reflecting individuals. In most of the States of the Union the Republican party is now one and individual. Both sections of the party have shown the highest wisdom in dropping the old differences and agreeing to forget that there ever was a division. In Illinois McKinley, one of the dyed-in-the-wool old liners, is being put forward prominently at this time and will probably be permanent chairman of the Illinois Republican convention. In the same State Medill McCormick, the most progressive and aggressive of the new lights of the party, is being pushed forward for temporary chairman. These two will probably be elected to those positions. This shows the desire of the sensible leaders of the party to get together and heal up all former differences and present a united face to the country.

While all over the land this reuniting of the Republican party is going on, California Republicanism presents the unfortunate spectacle of divided interests. The old-line members of the party have held fast to the creed that they are the people and that wisdom will die with them. They are not willing to hold any terms with the other section of the party at all except on the condition that those who honestly differed from them should come in and bow down before their majesties and cry, "We have sinned." Now as those who differed from the old-liners and standpatters feel that they were justified in their acts and that the transgression was entirely on the other side it is manifest that there can be no healing of the breach on such terms. It would surely have been the part of wisdom of the old-liners to have said nothing about differences and said a great deal about harmony.

The party styling themselves United Republicans have also acted the part of unwisdom in being just as stubborn on their side as the standpatters have been on theirs. There can be no dealing between two parties that hold such extremes of opinion in political matters and are not willing to make some allowance for their opponents. It has been well said that the whole world is governed by compromise. Had there been an attempt at compromise on either side in this case it is likely that the primary ticket would have presented merely twenty-six names for which all sections of the party could have conscientiously voted and not the formidable fifty-two we now see.

In every way the political situation in California gives evidence of a lively contest with interesting results even if they should not prove satisfactory to those who have ultimate and national interests at heart.

SHAD FISHERIES IN CALIFORNIA

It is interesting to note, after forty-five years have passed away, how enormously the shad has increased in numbers, since first introduced on the Pacific Coast. The waters of the Pacific ocean appear to have suited the habits and constitution of the Eastern shad much better than its original habitat. While the shad has increased in California it has decreased in Atlantic waters and in many streams of that coast has become extinct. There the use of nets had to be entirely prohibited in order to give the fish a chance to revive again.

Artificial propagation has never been resorted to here while on the east coast the hatching of shad is the principal activity of the hatcheries. The wholesale price in the New York market at the present time is \$1.65 a fish, which is more than five times the retail price here. This is not because the shad is a better fish on the Atlantic coast than on the Pacific. The Pacific shad is just as good as the Atlantic. It is the case, however, that the wholesale price of fish of all kinds is much greater on the Atlantic coast than of the dressed fish sold in the retail markets on this coast.

It is proposed during the present run of shad to ship shad spawn to the Atlantic coast for hatching purposes in the hope of again building up the run in the depleted rivers. The fish and game commissions of Massachusetts and Connecticut are making preparations to restock in this manner the Connecticut river. The eggs will be taken on the San Joaquin river in the neighborhood of Stockton, and after fertilization the development of the eggs will be retarded by refrigeration while they are en route to the East. The eggs ordinarily hatch out in about four days, but it is believed the hatching period can be prolonged by this method so that they may be successfully transported and the hatching completed after arrival on the East coast.

This is only just; the East furnished this coast with the shad and the Pacific has now a chance to repay its debt to the Atlantic. It is to be hoped that the plan will prove entirely successful.

THE BIRTH OF A NATION

Responding to requests from many quarters, W. H. Clune is presenting at his Auditorium Theatre in Los Angeles, beginning April 24th, D. W. Griffith's mighty spectacle, "The Birth of a Nation." This photoplay, which established new standards of the screen, will be given with all the special attributes which attended its presentation as "The Clansman" for the amazing record at the Auditorium of 26 weeks, most of that time to crowded houses. These attributes will include the special musical score played by an orchestra of 27 pieces and the beautiful transformation scene representing a Southern mansion, with which the spectacle opens. "The Birth of a Nation" now needs little more than the mention of its name to arouse the keenest interest. Its battle scenes with thousands of soldiers participating, its raids by the famous KuKluxKlan, its negro life on the old plantation, its depiction of the assassination of Lincoln, its portrayal of Grant, Lee, Lincoln and other historic figures, and its beautiful allegorical ending make it the very acme of realism in motion pictures. Six months' time and the employment of thousands of persons entered into the making of "The Birth of a Nation," and it will probably be a long time before its equal for sensations of the screen will even be attempted.

There will be two performances each day at 2 and 8 p. m. Clune's Broadway Theatre has also scored a coup in booking the newest and largest of all Charlie Chaplin's comedies, the famous laugh-maker's burlesque on the opera, "Carmen." This production in four reels began its engagement on April 17.

VISUAL EDUCATION

The world is recognizing today the value of the proper education of all the faculties with which man is endowed, most important of which is the eye, the quick, keen perception of all that passes before it, and makes an impression upon the brain that is far more lasting than that conveyed by the ear.

So important is this branch of education that the County Board of Education has added this department of work to their staff of workers, and have placed at the head of the department, Mr. H. S. Upjohn, who devotes all of his time in the advancement of visual education in all of its phases.

The Glendale Federation of P. T. A., ever alert to the needs of our schools, and the importance of keeping them in the advance guard of educational movements, have secured Mr. Upjohn for an evening's address.

He will speak at the Intermediate school on Thursday evening, May 4, at 8 p. m. The public is earnestly invited to be present.

CONGRESS OF MOTHERS

The First District California Congress of Mothers will hold their annual convention in Los Angeles, April 27-28, at Blanchard hall, 231 So. Broadway, beginning at 10:30 a. m.

Everyone interested in the work of the Parent-Teacher association is invited to attend this convention. The forenoon sessions will be given over to reports, the afternoon programs will be lectures upon important phases of our work.

Thursday afternoon Hon. H. H. Lyon will speak on "Legislation in California for Women and Children." Mr. N. R. Martin, County Superintendent of Charities, will speak upon "Our Sisters Before the Charity Commission."

Friday afternoon Miss Williams will speak upon recreation, and Judge Reeve upon Juvenile Court and probation.

It is expected that a large delegation from Glendale will attend this convention.

TROUT FISHING TRIP

To Sespe or Ventura rivers or other streams; leaving Sunday noon and returning late Monday night. Camping outfit furnished. For four people in a "Buick Six" \$18.00 for the trip. Paul V. Tuttle, phones Glendale 50, Glendale 660-J. 210t2

Ireland, long an area of disaffection against British rule, has at last broken forth into open rebellion. That has been anticipated for some time by those who traveled recently through the island. The British government, warned many times of the dangers that threatened them through German intrigues, exhibited their usual fatuity and while the whole of the rest of Britain was under the strictest of rule the supervision of what was going on in Ireland was extremely lax. The consequence has been that the insurrectionists furnished with arms from abroad and also supplied with money which has never been lacking in this propaganda have managed to engineer a formidable outbreak against their rulers and are credited with holding Dublin and other points. While there is not the slightest doubt that this outbreak will be suppressed the effect that it will inevitably have on the future of the island is greatly to be regretted.

SNAPPING TURTLE EGGS

A snapping turtle lays about two dozen eggs. These are placed in damp sand in a hollow scooped out by the turtle. The mother turtle almost or wholly buries herself in the sand. Then in crawling out she lets the sand over her shell fall upon the eggs, thus covering them. The eggs are white and almost perfectly round and have a very thin, hard shell.—St. Nicholas.

FORTUNE'S FAVORITE

First Coster—Well, poor old Bill's gone.
Second Coster scornfully—Poor, indeed! Luckiest bloke in the market. Couldn't touch nuffin' without it turned to money. Insured 'is 'ouse—burned in a month. Insured 'isself agin haccident—broke 'is harm first week. Joined the Burial Society last Toosday, and now 'e's 'opped it. I call it luck.—London Tit-Bits.

CORRECTED

"I understand you began your life as a newsboy," observed the friend admiringly.
"No," replied the millionaire; "some one has been fooling you. I began life as an infant."—New York Times.

Personals

Mr. and Mrs. W. Stanton have moved into the house at 1415 Burchett street.

The Kensington club of the N. P. Banks Relief Corps are enjoying a picnic at Griffith Park today.

M. B. Harris of Louise street returned from a three weeks' motor trip to Arizona points the first of the week.

Mrs. Mary Eckland of San Francisco is a guest at the home of Mr. and Mrs. John Rowland on West Seventh street.

Mr. and Mrs. Harry Thimm of Lomita avenue entertained a party of friends on a motor trip to Laguna Beach, Sunday.

Miss Phila O'Neil of Los Angeles spent a few days with Mrs. E. Haggman of the Frenz Apartments on Orange street.

Mr. and Mrs. F. E. Stewart of Marshalltown, Iowa, were Sunday visitors of Mrs. L. B. Simon of 414 Orange street.

Miss Katherine Hobbs of 600 N. Central avenue, Tropic, has been the guest of Mrs. Glenn Craig at Castiac for the past week.

Mrs. E. Burton of Highland Park, who recently purchased the Park View Apartments on Orange street, was a Glendale visitor Monday.

Rev. C. Irving Mills, D. D., Rector of St. Mark's Episcopal church, is attendant today of the Convocation of Los Angeles at St. Paul's Pro-Cathedral.

Mrs. M. M. Hadsell, who has been visiting her mother, Mrs. A. C. Oliver, 124 Howard St., during the past three weeks, left Monday for Oregon City, Oregon.

The Tipton family who have been residing on West Seventh street have moved from that location and are now nicely situated at the corner of Pacific and Oak.

Miss Marjorie, a student of Glendale High School, spent vacation week with her mother, Mrs. H. E. Yockey, and guests on their ranch near Garden Grove.

Rt. Rev. Joseph H. Johnson, D. D., Bishop of the Diocese of Los Angeles, was dinner guest of Rev. Dr. and Mrs. C. I. Mills, 515 So. Central avenue, yesterday.

Mr. and Mrs. Joe Mills of Glendale avenue returned this week from Albuquerque, whither Mr. Mills had gone for his health's sake. He has now gone on to Redlands, Cal., but will return to Glendale.

Mr. Sam Horwitz and wife of Marshalltown, Iowa, called on friends in Glendale Monday and visited the Palace Grand. Mr. Horwitz is a pioneer picture man and owned all of the first picture houses in Marshalltown.

Mr. and Mrs. Percy De Gaston of 415 Glendale avenue and sister-in-law, Mrs. H. De Gaston of Sacramento, Cal., motored to San Diego Tuesday and will remain several days, looking after their ranch property there.

Dr. and Mrs. C. E. Lauler, 1427 Burchett street, had as their guest at luncheon, Tuesday, Mrs. W. P. Coffman of Bonnie Brae, Los Angeles. Mrs. Lauler and Mrs. Coffman afterward attended the meeting of the Tuesday Afternoon club.

Mr. Walter Martin, wife and 2-year old boy recently arrived from Canada to make their home in California. Mr. Martin is a brother of Robert Martin of 1461 W. Second street, and is so taken with Glendale's scenery and climate that they are considering locating here.

Bert T. Anderson, who has been running the Saturday night dances in Butler's hall so successfully for some time past, has made arrangements for turning over his business to Lou Kirri of 1318 Hawthorne street. Mr. Kirri will open the dances Saturday night and will cater to the public with all the courtesy and efficiency which characterized his predecessor.

Miss Alice H. Frank, 578 E. Third street, was a prominent personage in the three selections from well-known plays that were presented in the Little Theater, Los Angeles, Tuesday night. Miss Frank acted the part of Sarah Holmes in "Help Wanted," a Morosco play. She also acted the part of a hotel guest in "Pretty Mrs. Smith," another Morosco play. Both these were directed by Mr. Morosco. Miss Frank was one of the college girls in "Commencement Days," a most popular presentation put on by Mr. Egan. Messrs. Carroll and Matthews, the well-known composers and musicians directed the music of the plays. The theater was crowded and the whole affair was a pronounced success.

FIRST M. E. LADIES' AID

The regular meeting of the Ladies' Aid of the First Methodist Episcopal church will be held Thursday afternoon, at 2 o'clock, in the church parlors. The meeting will take the form of an old-time party for the old people of the church. All who are desirous of contributing to the happiness of the beloved old folks are urged to be present on this occasion, which will be made of great interest.

CELEBRATE SHAKESPEARE'S BIRTHDAY

The Tuesday Afternoon club celebrated the birthday of Shakespeare with a well arranged program on Tuesday Afternoon, April 25, which was in charge of the Shakespeare section.

After a brief business meeting Mrs. H. E. Bartlett, president of the club, turned the program over to Mrs. W. E. Evans, chairman of the Shakespeare section. Mrs. Evans spoke briefly on the growth of the section and then introduced the soloist for the afternoon.

Mrs. Frank Arnold pleasingly rendered two of Shakespeare's most popular ballads, "Who is Sylvia" and "Hark! Hark! the Lark," accompanied by Mrs. H. R. Boyer. Mrs. Arnold possesses a rich contralto voice and her numbers are always appreciated by the club, of which she is a member.

Mr. Julius Kranz, the well known violinist, played a group of old dances with his usual masterful interpretation. His selections were, Govotte by Rameau, Andantino by Martini-Kriesler, Minuet by Mozart. He was accompanied by Mrs. R. W. Masters.

Mrs. Evans next introduced to the club the instructress of the Shakespeare section, Mrs. Mazie Fullman Garrett. This was Mrs. Garrett's first appearance before the Tuesday Afternoon club and she very kindly set aside her regular class in Hollywood in order to respond to the invitation to read to the club. She read the drama, "Antony and Cleopatra" and interspersed the reading with her own sidelights.

Mrs. Garrett shows excellent taste and perfect refinement in her work, together with a complete understanding of Shakespeare. She was warmly received by her audience and at the close of the afternoon was presented with a huge bouquet of white roses.

Mrs. Bartlett took charge of the program again and before she adjourned the meeting she went through the ceremony of burning the mortgage on the club lot as all the money and more had been donated by club members. She was assisted by the following past presidents: Mrs. A. W. Tower, Mrs. R. E. Chase and Mrs. Mattison B. Jones.

Mrs. W. P. Thompson assisted by the Shakespeare section served hot scones, strawberries and tea at the conclusion of the program.

The next meeting will be an open meeting of the club, to which all are invited.

CALL FOR PHOTOGRAPH

We have on hand at the Glendale News office original photographs of the following that were brought to the office to have cuts made at the time of publishing the anniversary number. They can be had by the originals if they wish to call for them: O. A. Lane, L. W. Bosserman, H. E. Betz, G. D. Crofton, Judge Whomes, Dr. Mills, Dr. Boyer, Dr. Bryant, J. S. Thompson, R. M. McGee, George Grist, Rev. Francis, F. H. Vesper, Chas. Kent, Dr. Smith, Dr. Edmonds, W. E. Evans, Dr. Duncan, C. L. Evans, Dr. Flint, T. W. Watson, H. B. Lynch, Judge Miller, C. D. Lusby, C. H. Hughes, Dr. Young, J. W. Lawson, Peter L. Ferry, E. M. McClure, Miss Daniels, Percy Praelux, C. C. Chandler, Edward K. Daniels.

DINNER PARTY

Miss Edna Learned was hostess at her home, 137 S. Maryland, Tuesday evening, to a number of friends when she entertained at a dinner party in honor of Miss Gertrude Wilson and Dr. C. R. Lusby, who are soon to be married. A floral centerpiece of Cecil Bruner roses enhanced the beauty of the prettily appointed table and the following guests found their places by means of dainty cards decorated with the same blossom: Misses Helen Wright, Dorothy Lee, Genevieve Gannaway, Catherine Lennox of Van Nuys, Messrs. Harold Salisbury, Lloyd Wilson, Wilber Lee, Verne Wilson, Ralph Lusby, Cecil Forbes of Van Nuys, the two guests of honor and the hostess. Music and social intercourse followed the dinner.

THERE WILL BE A FORMAL OPENING OF THE

EGAN DRAMATIC BRANCH SCHOOL

—On the Afternoon of—

APRIL 27th

From 3:00 to 5:30 p. m. at the old

Odd Fellows Hall

in the Hurtt Block, 594 Bdwy.

An informal "Dansant" for children will be given and an interesting programme rendered by members of the Los Angeles Egan School. All mothers and those interested in the work are cordially invited. Come and bring a friend.

SPECIAL RATES FOR THE SUMMER WILL BE MADE

REV. B. D. SNUDDEN PREACHES IMPRESSIVE EASTER SERMON

The Easter services at the First Methodist church were attended by great congregations. Both morning and evening every available seat was occupied. The auditorium, school room and other rooms were all utilized. The church was beautifully decorated for the occasion. At the rear of the pulpit a large cross, decorated with lilies, was the center from which other floral decorations radiated. The floral devices were all in green and white, and were very attractive.

At the morning church service the pastor, Rev. B. Dudley Snudden, preached on "Life Supreme." He took as his sermon lesson the words, "Christ Jesus brought life and immortality to light through the gospel," 2 Timothy 1:10. Any day which becomes universally observed must have a universal significance. Every nation has its own special days, but the world reaps the blessings of Easter.

Easter proclaims the supremacy of life. It may be doubted if there would have been any Christianity if there had not been an empty tomb. The message of life immortal had to be verified to men by the reappearance of the Christ. The question is not: If a man die shall he live again? But it is rather: If a man die did he ever live? He may have existed, but he did not live. Life is not measured by the body. Many people measure life by the body or by the circumstances of life.

The Easter message proclaims the continuity of life. The laws of psychology are all in harmony with the Divine program. Memory bears witness to immortality. Man never measured life aright till Christ came. He came to bring to men the full meaning of life. "I am the way, the truth and the life." "I am the resurrection and the life."

The Easter message is one of ageless life, "He that believeth on me hath everlasting life." Men need to bring their thoughts of immortality down to the present act. They should permit their imagination to paint their heaven and then ask, "Would I do this deed in heaven?" If the act were mean, contemptible, sinful, it would be no more hideous in heaven than here.

The scientific law of the conservation of energy bears witness to immortality. Science declares that the form of energy can be changed, but that the energy cannot be lost. How then could it be expected that a few brutal spikes and a Roman spear thrust could destroy the wonderful, glorious life of the Christ?

The musical features of the services were attractive and inspiring. The evening service was in charge of the choir and the Sunday School orchestra. Seating room was at a premium. And the program would have done credit to any of the large city churches. The solo and ensemble work of the choir were excellent. Under the leadership of Mrs. Cammack this choir has won an enviable place in the musical life of the city. The program last Sunday evening was beautiful, the chief feature being the cantata, "Death and Life," Shelley. In this cantata the orchestra was heard to advantage. The other orchestral numbers were much appreciated. Miss Dorothy Lee is the capable leader of the orchestra. Both organizations deserve great credit for their Easter program.

GLENDALE MAN INJURED

Thomas M. Smith, a wealthy retired merchant, who has lived in Glendale for ten years past, was struck by an auto driven by C. B. Burkall, city building inspector of Pasadena, while he was crossing the street at the intersection of Raymond avenue and Holly street, Pasadena. Mr. Smith owns several houses in Glendale and formerly lived at 728 N. Louise. Recently he rented that house to Mr. W. E. Hewitt of the Glendale laundry and went to live on his ranch at La Crescenta. He and Mrs. Smith were visiting their nephew, Harlan Cristy, teller of the Security National bank of Pasadena, when the accident occurred. Mr. and Mrs. Smith were on the eve of going East for a visit.

Mr. Smith is about 60 years of age. He was struck on the lower part of the body by the auto and thrown down, sustaining a basal fracture of the skull. He lies at the Pasadena hospital in an unconscious condition and is not expected to recover. Mr. Smith was a native of Michigan.

JENSEN THANKS EVERYBODY

H. C. Jensen, proprietor of the Palace Grand theatre, who was the originator and main promoter of the plan of giving a benefit show at the Palace Grand wishes to publicly thank the ladies' committee and all others who contributed so much to the success of the show.

BRITISH DRIVE OFF ZEPPELINS

LONDON, April 26.—Three Zeppelins which are supposed to have taken part in the raid on the east coast last night were observed late this afternoon making approach toward the land again. They were greeted with a strong and heavy fire from anti-aircraft guns all the way down the coast of Essex and Kent and finally driven off.

GLENDALE FOOTHILLS

Dr. J. E. Eckles, 1125 N. Central avenue, who returned Sunday from his trip to the mountains, says that it would be difficult to imagine a more beautiful spot than the sheltered canyon in the San Gabriel range, above Azusa, where he and his friends spent a week to their great bodily recuperation and mental rest. At this time of the year the stages are not running to those parts and the water is too high for the ordinary camper. The fishing, too, does not begin until May 1. The party therefore had the beautiful Brown's canyon all to themselves. This canyon was once occupied by a company that intended to construct a water reservoir, but the project came to naught and the comfortable and commodious cabin that had been built was therefore as the disposal of the campers. It was situated between two big cliffs and completely sheltered from any cold breezes that might blow. Close to the very door of the cabin runs a little stream of the purest and coldest of mountain spring water. Dr. Eckles shows the evidence of a sojourn among the mountains in a healthy coat of tan that shows robust health.

All members of the First Baptist church of Glendale are urged to be present at the prayer meeting on Wednesday evening, April 26. An important matter is to be brought before the church at that time.

F. W. PARSONS, Jr.,
209t2 Church Clerk.

LA CANADA NOTES

Mr. C. B. Anderson has been remodeling his residence on Haskell avenue by building a sleeping porch upstairs, and making various other improvements.

Mr. Charles Olsen is remodeling Judge Sargent's house on Mountain avenue. This is going to be one of the prettiest homes in La Canada.

The children's program Easter Sunday took place between 10 and 11 a. m. The children showed much ability in their songs and recitations. The church services followed the exercises by the children. The pastor preached an appropriate sermon and the choir rendered very beautifully, "Praise, Praise to Thee," and "Christ our Passover." The church was beautifully decorated in white roses, calla lilies, smilax and a large cross made of white daisies stood in front of the altar. The Easter spirit prevailed throughout.

Mrs. Kirst was called to Downey by the serious illness of her daughter Barbara who has been quite ill for several days but is now convalescent.

Mr. M. Kraus has added a very handsome stone chimney to his attractive home on Center street.

A very serious accident in which Mr. Victor Chateaux very nearly lost his life occurred on the road at Earlmont. In making the cut on this road it was necessary to do a great deal of blasting. Last Friday young Chateaux got too near an open can of black powder with a lighted fuse. An explosion followed which blew him several feet, setting his clothes on fire and burning him seriously. Had it not been for the prompt action of road foreman Kirst and the men working nearby, Mr. Chateaux would have undoubtedly been killed. Mr. Kirst at once procured the services of Mr. Louis Dutour who within a half hour after the accident had the injured man at the Pasadena hospital where he received emergency treatment. The doctors say that his injuries are very serious but will not prove fatal. Mr. Chateaux will be detained in the hospital for some time, but it is hoped that he will soon recover.

The hearing for Roy and Texas streets has been set for May 8.

The La Canada Improvement Association will hold its meeting Saturday evening, April 29 at 8 p. m. The program promises to be excellent. Let everyone come. Mrs. Forrester who has traveled extensively will tell of her travels in Yosemite. Stereopticon views will be shown. Musical numbers will also be given.

The Ladies' Aid Society gave a supper at the church Friday evening, April 21 at 6.30 p. m. The supper was a grand success, and there was a large attendance. The ladies hope to have another affair of this kind in the near future.

Many LaCanada people attended the flower show at Glendale last week.

It is rumored that Hilyard street will be continued south to Homeward avenue.

Miss Irene Holbrook, a student at Poly High in Los Angeles spent last week with Mr. and Mrs. McMullin.

Mrs. Nicholson entertained her niece from Los Angeles last week.

Mr. and Mrs. Nicholson spent one day last week in Long Beach where they met friends from the east whom they had not seen for thirty years.

Mrs. McMullin entertained Miss Clara Armstrong at luncheon Saturday in honor of her house guest, Miss Irene Holbrook.

Mr. and Mrs. Johnson and son spent Sunday, April 23 in Los Angeles.

After a week's vacation, the children have returned to their school duties again.

Mrs. Ike Stagg and children of Pasadena spent last Thursday with Mr. J. H. Armstrong and family.

Mrs. Albert Van Degrift and two sons are spending the week with Mr. and Mrs. McMullin.

An afternoon of rare pleasure rewarded all who attended the musicale and tea given at the beautiful home of Mrs. Charles McDonald on Homewood avenue on April 21. Much credit is due the committee consisting of Mrs. James Penfield, chairman assisted by Mrs. Charles McDonald and Mrs. H. L. Cooper to whose combined efforts the success of the affair was due. Not only was an unusual musical treat enjoyed but a generous sum was realized for the society. The program arranged was as follows:

Vocal solo, Parla Arditte and Gondolo songs, Mrs. Charles McDonald.

Piano solo, Venetian Boat song (Mendelssohn); Folk song (Grieg) Miss Harriet Lanterman.

Readings, Troubleproof (Edwin L. Sabin); Johnny's Pa (Wilbur D. Nesbit) Mrs. Max Green.

Vocal solo, Village noon; Twilight (Nevin) Miss Lula Lanterman.

Piano solo, Rondo Capriccioso; Waltz Opus 34 (Moskowsky) Miss George.

Vocal solo, The Swallow (Villanelli) Mrs. Charles McDonald.

All responded to encores.

TROPICO TRUSTEES MEET

The Tropic Board of Trustees met in regular session Tuesday evening at the city hall at 7:30 p. m., with President Frank E. Peters, Fred A. Alspach, Chas. H. Henry and Walter C. Seal present, A. C. Boyce absent. The following city officers were also present: Margaret R. Coleman, clerk; Hartley Shaw, city attorney; I. C. Wasson, street superintendent; J. W. Gould, city marshal, and Dr. W. C. Mabry, health officer. The minutes of the previous meeting were read and approved.

A communication was received from the Compton Chamber of Commerce and city officials inviting the board to visit Compton's city carnival on May 12th, accepted and ordered placed on file.

A letter was read from N. C. Burch, former city clerk, calling attention to the probable cause in the delay of the report of the railroad commission in regard to the reduction of Tropic city water rates, also a letter calling attention to the unadjusted claims of Leigh Bancroft, which was due and yet unpaid, for street improvement of Brand boulevard. On motion the clerk was ordered to draw a warrant for \$15.01 in favor of Mr. Bancroft in payment of same.

H. P. Goodwin, former city attorney, reported that he had received a copy of the decision of the railroad commission in regard to the water rates, etc., in which the Water company was given 20 days in which to adjust their rates according to the new schedule. A synopsis of this report will be found in another column of the News.

Mr. W. C. Wattles was appointed city engineer. Mr. Wasson, street superintendent, reported that the Birney house, which was recently acquired by the city in order to open West Acacia street west to Central avenue, had been sold for \$50 cash, and was to be removed at once.

Dr. Mabry, health officer, reported that he had contracted with W. E. Edwards for collecting the garbage and refuse of the city at the price of \$4.50 per day for each day of 9 hours so employed.

Under unfinished business, the proposed contract with the Pacific Light and Power Co. for the lighting of San Fernando boulevard with ornamental lights, Mr. Dwight Griswold was present and made a vigorous protest against the city entering into any contract for the proposed improvement. After considerable discussion the matter was laid over until next meeting night, when it will be taken up in executive session.

The board rescinded its demand for rent for the room used by the public library and decided to donate the use of the room for the ensuing year.

In the matter of the disposal of the old building at the corner of Victor Court and San Fernando boulevard, which seems to be a rendezvous for tramps and hoboes, and by condemning the building and having it removed would no doubt put a stop to the nuisance. The matter was referred to the city attorney to determine what action should be taken.

On recommendation of Dr. Mabry, city health officer, the street superintendent was instructed to clean the weeds and rubbish from the public play grounds.

J. H. Shaffer, contractor of the Green street improvement, reported the completion of the work and asked for 30 days' extension in which to complete the assessments and issuing of bonds, etc., so that a final settlement can be made. The board granted the request. The following demands were allowed and ordered paid:

The Neuner Co.	\$14.19
H. P. Goodwin	27.00
Chas. Fishbe	1.50
Julia R. Sprigg	13.75
Board adjourned.	

GERMANS BLOW UP OWN SHIPS

LONDON, April 26.—The two German raiders, which, disguised as merchantmen, endeavored to land troops on the Irish coast, are believed to have been blown up by their officers when in imminent danger of capture.

The Pathway to Peace

WE BELIEVE

—that the satisfactory way to procure lasting harmony between Republicans and Progressives in the State is to first procure it in the nation.

—that the proper way to procure national harmony is through the action of the National Republican Convention and the National Progressive Convention in session—by design—at the same time and place.

—that the Progressive convention should be composed of Progressives and that the Republican convention should be composed of Republicans.

—that Progressives have no right to sit in the Republican convention, nor Republicans in the Progressive convention.

—that the surest way to "harmony" is to elect to the Republican convention real Republican delegates, to wit: The last twenty-six in the list in the no preference column on the ballot beginning with the name of Hon. Walter Bordwell.

Could Anything Be Fairer Than That?
